_____ Eastern Coral Snake
_____ Copperhead (increasing in our area?)
_____ Cottonmouth
_____ Eastern Diamondback Rattlesnake
_____ Pigmy Rattlesnake

Turtles

_____ Loggerhead Sea Turtle (threatened)
_____ Green Sea Turtle (threatened)
_____ Kemp's Ridley Sea Turtle (endangered)
_____ Leatherback Sea Turtle (endangered)

_____ Common Snapping Turtle
_____ Alligator Snapping Turtle
_____ Painted Turtle (possible)
_____ Eastern Chicken Turtle
_____ Black-knobbed Sawback
_____ Alabama Map Turtle
_____ Mississippi Diamondback Terrapin (endangered
in our area?)
_____ Alabama Red-bellied Turtle
_____ River Cooter
_____ Florida Cooter
_____ Eastern Box Turtle
_____ Pond Slider
_____ Eastern Mud Turtle
_____ Loggerhead Musk Turtle
_____ Stinkpot
_____ Gopher Tortoise
_____ Florida Softshell (possible)
_____ Gulf Coast Smooth Softshell
_____ Gulf Coast Spiny Softshell

Note: Our state is home to 83 species of crayfish, more species than any other state. Most live in streams but some are adapted to other environments.

Amphibians--Frogs

- _____ American Toad
- _____ Fowler's Toad
- _____ Southern Toad
- _____ Northern Cricket Frog
- _____ Southern Cricket Frog
- _____ Bird-voiced Treefrog
- _____ Cope's Gray Treefrog
- _____ Green Treefrog
- _____ Pine Woods Treefrog
- _____ Barking Treefrog
- _____ Squirrel Treefrog
- _____ Northern Spring Peeper
- _____ Southern Chorus Frog
- _____ Little Grass Frog
- _____ Ornate Chorus Frog (possible)
- _____ Greenhouse Frog (exotic)
- _____ Eastern Narrow-mouthed Toad
- _____ Eastern Spadefoot
- _____ Gopher Frog (endangered)
- _____ American Bullfrog
- _____ Bronze Frog/Green Frog
- _____ Pig Frog
- _____ Southern Leopard Frog

Salamanders

- _____ Mole Salamander (possible)
- _____ Southern Dusky Salamander (possible)
- _____ Spotted Dusky Salamander
- _____ Southern Two-lined Salamander
- _____ Three-lined Salamander
- _____ Dwarf Salamander (possible)
- _____ Southeastern Slimy Salamander
- _____ Gulf Coast Mud Salamander (possible)
- _____ Gulf Coast Waterdog
- _____ Unnamed Waterdog
- _____ Eastern Newt
- _____ Lesser Siren

Note: Alabama is, or was historically, home to 203 species of freshwater snails and 180 species of freshwater mussels. Many species have a highly restricted distribution and specialized habitat requirements make them highly vulnerable to extinction, according to the National Fish & Wildlife Service.
